20 great designers select

20 great products

HD's Platinum Circle is comprised of designers, architects, owners, and purchasers who have contributed a career's worth of excellence to the hospitality industry. Each of the following designers is a Platinum Circle member, all of whom were asked to select a new product that they have used with success in their recent work.

**Zoltan Kovacs**  
**Kovacs & Associates**  
**Toluca Lake, California**

Artwork in Architectural Glass offers both tempered and annealed cast glass that can be customized to match any product.

*“It has tremendous artistic character and fantastic versatility.”*
