

GlassFrit™ dot pattern

GlassGrit™

GlassGrit™ with Privacy Frost

Flooring Surfaces

Jockimo is the only Underwriters Laboratories (UL) classified anti-slip glass flooring product on the market. Both of our exclusive anti-slip walking surfaces—GlassGrit™ & GlassFrit™—exceeds ADA (Americans with Disabilities Act) requirements.

GlassFrit™ full coverage

MULTIPLE OPTIONS AVAILABLE.

Available in Ultimate Privacy™, Crystal Clear™, Privacy Frost™, or Ultimate Privacy Frost™ in either our GlassGrit™ or GlassFrit™ anti-slip walking surfaces. Other options include glass colors, lamination colors, paint, custom frost, special lamination interlayers as well as custom textures.

MONOLITHICALLY POLISHED EDGES.

Jockimo is the only glass flooring manufacturer that offers a monolithically polished edge on their fully tempered glass stair treads and flooring after laminating. Others may offer polishing but their glass is annealed and in our opinion, not as safe as fully tempered glass.

SCRATCH RESISTANT WALKING SURFACE

Jockimo is the first and only manufacturer to offer a permanent scratch resistant coating on the walking surface of their glass flooring.
